GOLD AND BLUE  
ADDS KAZOO TO  
VICTORY STRING

Western State Normal of Kalamazoo, Mich., succumbed to the attack of the Notre Dame basketball team at the local gymnasium yesterday afternoon, 35-25.

Although Notre Dame had the best of the battle almost from the start, the visitors were a scrappy bunch, and put up a hard fight in the second half.

The Hoosiers copped onto the lead at the start of the game and held it all the way through. At the end of the first half, they were leading by a score of 21 to 8, but in the second session, Kalamazoo scored 17 points as against 14 for the gold and blue quintet.

Myers is star. The Notre Dame, the blonde center, back at his old position, tossed six baskets from the field and played a fast game throughout. Several of his baskets were from difficult angles. Fitzgerald was the leading point getter for the locals, scoring four baskets from the field and eight free throws out of eight chances, for a total of 16 points.

The forwards, Welden and Olson, and Jacks, right guard, starred for the visitors, Welden scoring 11 points.

The team work of the gold and blue quintet was good at times, but the Hoosiers played rather raggedly on the defense. At times, the game was rough, and it was hard fought most of the way. The two Notre Dame guards, King and McKenna, again featured the game by their skillful protection of the local basket.

Daley on Bench. Captain Daley did not get into the game, but directed his team from the bench, in the absence of Coach Harper, who was in Indianapolis, discussing the spring state intercollegiate meet with representatives of the various universities and colleges of Indiana.

## Hagen Soon To Be Made "Pro"

Walter Hagen.

NEW YORK, Jan. 25. — Walter Hagen, national open golf champion in 1914, will soon be appointed professional for the Sivanoy Golf club unless present plans miscarry. The Yonkers organization, which has made unusual progress in the last few years both in membership and improvement of its course, has been anxious to secure Hagen's services and offered the Rochester professional inducement. Hagen has announced his intention of coming to the metropolitan district, and it is possible that he will make known his decision within a few days.

Hagen, when only 22 years old, first attracted attention in 1913, when he went west and won the national open title from many of the country's leading professionals and amateurs. Last year Hagen lost his championship to Jerry Travers at Baltusrol. Hagen, a large, well-built youth, is considered one of the leading professional players. Using tremendous physical force, the Rochester star drives an exceptionally long ball and his iron shots are the envy of countless amateurs.

In a special exhibition at Green-wich last season Hagen negotiated a 460-yard hole in two strokes, which is considerable tribute to his skill on the links.

In a rough and tumble affair, mostly on the part of the victors, the Brownson hall five from Notre Dame university easily trounced the Holy Name society five from St. Patrick's parish last evening in St. Patrick's gym, 16 to 5.

The Holy Name society lads were without their regulars, Anderson and McCarthy. Murphy for the college lads got four baskets and two fouls.

Murphy ..... Schubert

McConnell ..... Lower

FEDERAL LEAGUE  
MUST WITHDRAW  
ALL SUITS FIRST

Peace Arrangements Will Not be Completed Until Such Action is Taken—Brennan May Sue.

International News Service: CHICAGO, Jan. 27.—There will be no further moves to conclude the baseball peace arrangements until all civil suits growing out of the baseball war have been withdrawn by the Federal league.

Pres't Johnson of the American league, so announced today. He said the national commission had determined that the joint agreement to take over the Newark and Brooklyn Federal league obligations would not be signed until all court actions in connection with the baseball war had been ended.

Pres't Johnson said he understood that the attitude of the Baltimore Federal league club owners was causing the delay because Baltimore did not get a major league club.

Charles Weegman, new owner of the Cubs today faced the prospect of having to fight a lawsuit in order to settle with Roger Bresnahan, deposed manager of the Cubs. Roger let it become known that he intends to fight to enforce his contract which provides that he shall manage the Cubs during the 1916 and 1917 seasons and receive a salary of \$10,000 a year thereafter. Bresnahan said he would not accept a money settlement if his reputation as a baseball manager was to be damaged by his being compelled to step out to make room for Joe Tinker who is Weegman's new manager.

As soon as Pres't Johnson of the American league, is officially notified that Germany Schaefer is a member of the New York Yankees, he will take steps to end the baseball commission's career as an author. Johnson's notice has been called to articles appearing in a New York paper which it is charged violate the American league chief's ruling that baseball players names must not be signed to articles that they do not write themselves.
